By Jim Creiman

Biography – Jim Creiman

Jim Creiman develops and implements product regulatory and standards policies for a Fortune 500 company. Jim has practiced the quality profession in government and industry for thirty-five years. He has received numerous company awards for excellence and leadership in manufacturing operations, supply chain quality and programs.

Jim joined ASQ in 1983 and served ASQ members in various section elected and volunteer positions, including chair, chair-elect, nominating chair, treasurer, education, programs and as deputy regional director. Jim has served as ASQ Region 8 Director since 2015 and is honored to represent much of Ohio, Northern West Virginia and Western Pennsylvania. Jim also serves as a member of the ASQ Board of Directors.

Jim has received two academic degrees; a Bachelor of Science in Statistics from Virginia Tech and a Master of Manufacturing Engineering from Carnegie-Mellon University. Jim earned three ASQ certifications: Certified Manager of Quality/Operational Excellence; Quality Engineer and Quality Auditor. He is also a member of the American Statistical Association and is certified as a Six Sigma Black Belt by the Six Sigma Academy. Jim is happily married, with two teenage children, and currently lives in Pittsburgh, Pennsylvania.
